

Transportation

The West Elgin Community Health Centre's transportation service is vital in rural areas where public transit is limited. It ensures that residents, especially seniors and those with mobility challenges, can attend medical appointments, social outings and community activities.

The Accessible Van/ Health Shuttle

WECHC staff transport clients with mobility challenges in an accessible van equipped with a lift to and from activities, appointments and outings. Clients are billed monthly- no fare is required at the time of the drive.

Rate for Accessible Van: \$0.62/km plus \$19/hour as well as a waiting fee of \$19/hour (first hour is free).

****As of May 1, 2025 hourly rate increases to \$22/hour.**

Volunteer Drivers

Screened and friendly Volunteer Drivers transport clients in their own vehicles to and from activities, appointments and outings. Clients are billed monthly- no fare is required at the time of the drive.

Rate for Volunteer Drivers: \$0.56/km

- Transportation to any CSS program at the Hub is free of charge.

Our accessible van and volunteer drivers provide safe and friendly transportation services. If a client requires support for a program or appointment, please arrange for someone to accompany them.

For more information or to schedule a ride, please call 519-318-9171
Kindly call at least 48 hours in advance to arrange your transportation.
Transportation services depend on the availability of drivers.
